To whom it may concern,

J S B Civils Limited

We employed JSB Civils Ltd on our prestigious project for the construction of a new classroom block at Denstone College.

JSB Civils Ltd proved to be a valuable asset to us in terms of quality, H&S and the willingness to adapt to the changing demands of the scheme.

The project was handed over on time and within budget which only goes to show the excellent job they did for us at Stepnell Ltd

I would be happy to have them on my next project and we look forward to further developing our relationship with them.

Yours

**STEPNELL LTD**
